Operating System
Windows

INTERNSHIP

PHP
Techmicra IT Solutions
Duration: 16-January-2024 to 04-May-2024

ACHIEVEMENT

TECH NISHAL

Duration: 7-January-2025 to 15-May-2025 During this training period, I gained hands-on experience in web development using ReactJS. I contributed to building responsive and dynamic applications, consistently meeting performance and quality standards. I worked with technologies and tools such as HTML, CSS, JavaScript, ReactJS, Bootstrap, Material UI, Git, VS Code, and the Windows development environment.

PROJECTS

PORTFOLIO

https://portfolio-steel-five-65.vercel.app/

PET HEAVEN

Pet Heaven is a React. JS-powered platform for pet lovers to adopt, purchase, or sell pets. It features real-time pet listings, order management, and seamless checkout with multiple payment methods. Users can easily browse available pets or post their own for adoption or sale.
